Catalog & Order Form

Welcome to Starfall Kindergarten Mathematics!

Each kit and product in this catalog is a vital part of the Starfall Kindergarten Mathematics Program. We endeavor to create only relevant and high-utility materials to ensure an affordable, high-quality learning experience with a small environmental footprint.

Teachers and Schools:

Our **Classroom Kit** (MTKIT02) includes everything shown on pages 3, 4, and 5 (except for optional items). You will also need to order Math Workbook sets and the other required items listed on pages 6 and 7.

You will need a membership to Starfall.com, if you do not already have one.

Initial Investment

A typical initial investment for a class of 20 students is less than \$369.00

- * Classroom Kit with digital plans: \$185.00
- * Workbook sets for 20 students: \$61.80
- * Math Bags and Math Mats for 20 students: \$96.90
- * Plus Starfall.com membership (required)

Annual Reinvestment

- * Workbook sets: \$3.09 per student
- * Starfall.com membership renewal

(Plus 10% shipping for products)

Homeschoolers:

Our **Homeschool Kit** (MHKIT02) includes all of the basic Starfall Math materials you need, a downloadable Teacher's Guide and a FREE Home membership to Starfall.com. You will also need to purchase one workbook set, and a Math Bag.

Get all basic components for less than \$189!

(Plus 10% shipping)

Additional math manipulatives suggested in the Starfall Mathematics Program, such as craft sticks, connect cubes, etc. will need to be purchased elsewhere.

Purchase Orders:

Schools (US and Canada only) can order using a Purchase Order.

A Purchase Order must:

- ★ Appear on school letterhead.
- ★ Contain your school name, address, phone number, contact name, and email address.
- ★ Have a purchase order number issued by your school or district.
- ★ Include the dollar amount that the school is authorizing to pay.

Purchase orders should be mailed or faxed to us, along with a completed order form. Terms: Net 30 days from order shipment.

Our Federal Tax ID #: 46-4463460

Starfall Education Foundation is the sole source publisher of all items listed in this catalog.

This is the first year I have actually enjoyed teaching math. Every lesson has such specific, simple, and understanding ways of presenting the subject with so many fun and enjoyable activities incorporated in each topic of study. The kids get the concepts with ease and enjoyment, and they feel successful.

Teacher's Guide

Kindergarten MATHEMATICS

Downloadable Teacher's Guide

The Teacher's Guide and supplements are available digitally for free on **Teach.Starfall.com**. Printed copies are also available for purchase.

- Teacher's Guide, Semesters 1 & 2
- Assessment Package
- Hundredth Day Supplement Lesson Plans
- Blacklines
- Supplements

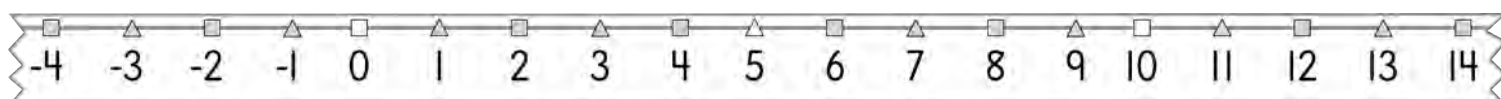

Optional Add-On:

Printed Teacher's Guide

2 binders with over 600 pages of full-color lesson plans with 34 pages of full-color supplements (on heavy paper) and 76 pages of blackline masters.

Number Line, Numbers Wall Cards & Number Activity Mats

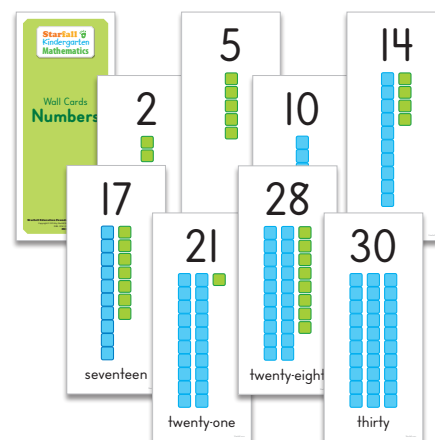

Classroom Number Line

The complete **Classroom Number Line** begins at -5 and continues to 180. Post this in the classroom. The children will use it daily, learning important number concepts.

Number Activity Mats

Number Activity Mats are a set of sturdy, laminated mats for numbers 1 through 9. Children can practice number formation with playdough, dry erase markers and other manipulatives.

Wall Cards for Numbers 0 through 30

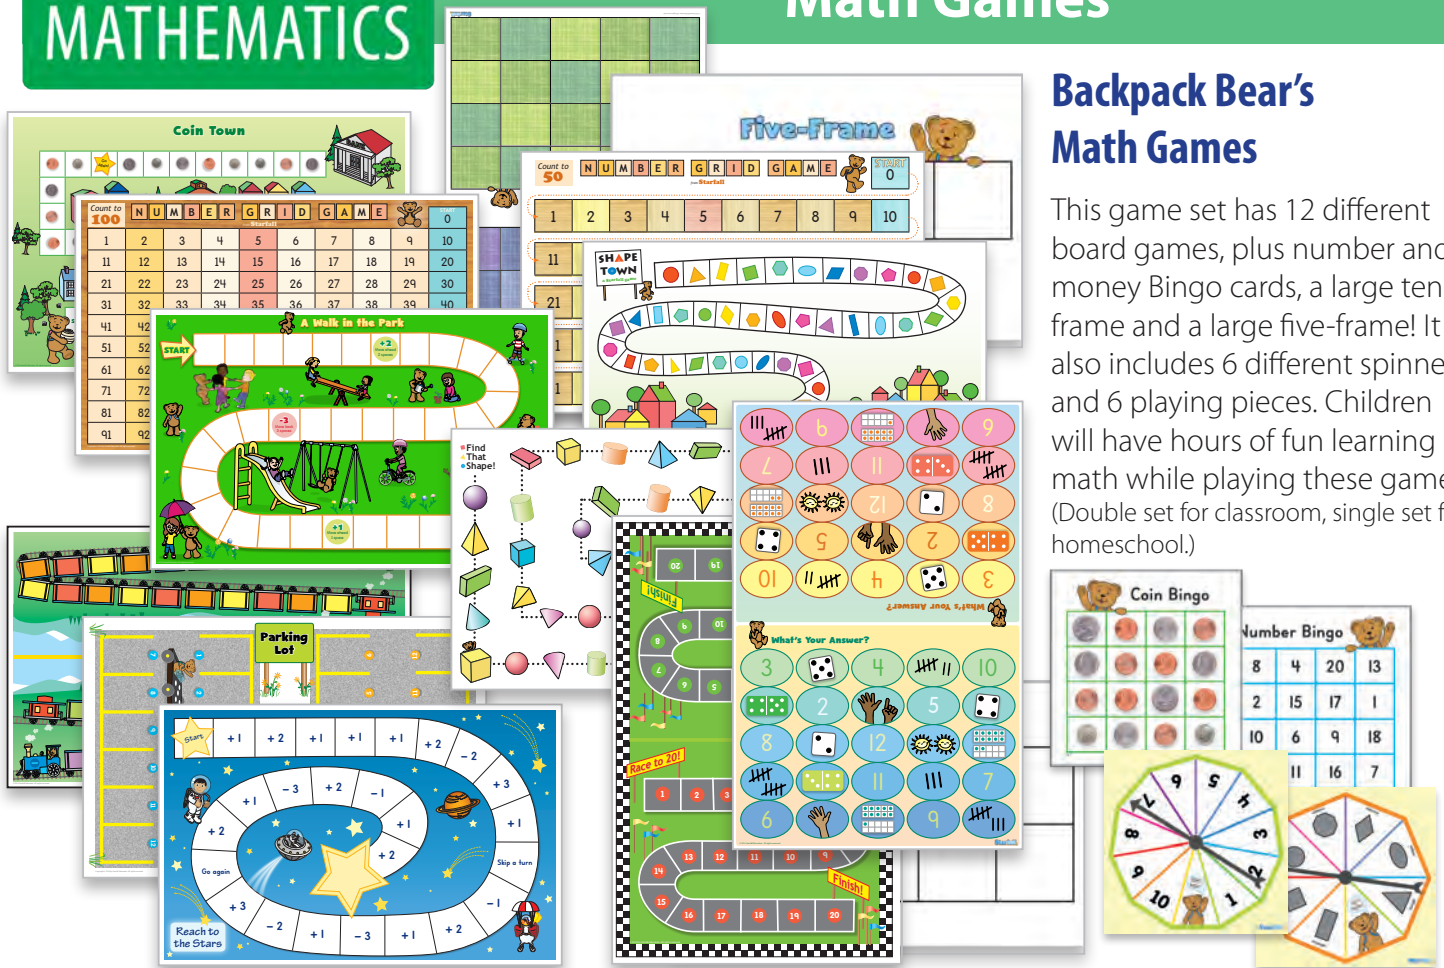

These **Numbers Wall Cards** each include the numeral, the number word, and blocks which clearly illustrate place value.

Kindergarten MATHEMATICS

Math Games

Backpack Bear's Math Games

This game set has 12 different board games, plus number and money Bingo cards, a large ten-frame and a large five-frame! It also includes 6 different spinners and 6 playing pieces. Children will have hours of fun learning math while playing these games. (Double set for classroom, single set for homeschool.)

Math Instructional Card Set

Backpack Bear's Math Instructional Cards

743 cards plus dividers

- Patterns
- Measurement
- Shapes
- Subitizing, Math Bonds
- ... and more

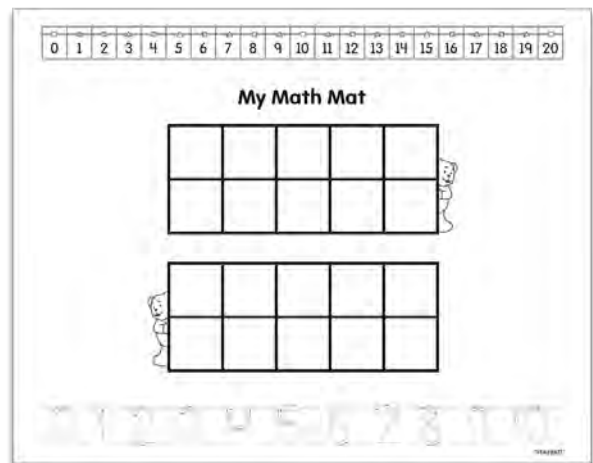

Backpack Bear's Math Workbook 2

- Number review
- Addition
- Subtraction
- Measurement
- ... and more

Math Bag

Each child is provided with a sturdy math bag in which to keep his or her math manipulatives.

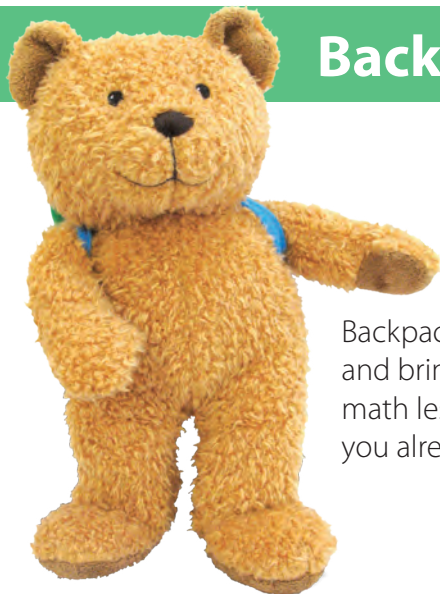

My Math Mat (sold in sets of 10)

These sturdy laminated mats help to create a math workspace for each child, and include a number line, ten frames and numerals for reference. The reverse side is blank.

Kindergarten MATHEMATICS

Backpack Bear

Backpack Bear joins your class and brings a bit of magic to math lessons. Required, unless you already have one!

I have been overwhelmed by the love of math since I began your incredible program. Starfall Math goes far beyond other math programs in ease of use, concepts, fun, and preparation. There is no comparison! I wish every kindergartner could use Starfall Math. It's awesome!

- Heidi
