Starfall's Pre-K Book Collection

Over the course of the Starfall Pre-K program, this exclusive literature series sets a dynamic stage for group lessons and imaginative, playful learning.

Fairy Tales adapted for the youngest ears

The books in this series have been retold with young children in mind. Fearful and conflicting elements have been removed without compromising the stories' essence.

Folk Tales and Fables

These traditional stories, poems, and songs have been passed down for generations.

Nonfiction

Invite discovery of the natural world with these nonfiction books about real-life interactions, role models, plants, and animals.

Read-Along CDs

Children can listen and "read along" with 26 of the books above. (New book: *Where Oh Where Is Backpack Bear* is not included.) The stories are included on these 4 CDs. *This CD set is included with the Classroom Kit.* Downloadable MP3s are included with the **Homeschool Kit**. Homeschoolers may purchase this CD set as a separate item.
